

Tick the boxes below when you have completed your homework.

Please note that if you refuse to complete your homework at home when asked, then your parents/carers will send you into school to talk to Mr. Davis and you will complete the homework in your own time, i.e. break times.

Remember if your spellings and Learn It activity is on the computer or practicing aloud, make a note of what you did in your homework folder or get your parents/carers to take a photo and email it to me at school (jackdavis@asby.cumbria.sch.uk).
